Help needs discussed for the Pinewood Derby being held at Linworth Alternative School Saturday, 3/18, for Pack 331,11-6. As well, this pack will be visiting our meeting on Monday night for the Parent Orientation meeting.

No further response from Pack 333 currently.

All scouts are encouraged to invite others that may be interested in joining our troop to any of the meetings.

John Heywood-April meeting is cancelled due to Spring Break, etc. Mays meeting will be held the 16th (different date).

Chris Deis is working on our troop funding a new sound system for Chief Logan. Please see if your employer may contribute money for non profit organizations as ours, or do company matching for volunteer hours.

Jamie Prosser-Spaghetti dinner had a net profit of \$1221.91. Jamie is also now in charge of the Outdoor Program and has some of the summer 2017 schedule on the BSA 365 homepage.

Jonathon Rigden-Advancement-discussed option of having scouts be in charge of recording their own advancements. Considering using old computers for this but books would still be necessary. We host needs constant updating.

Merit Badge counselors are needing training and considering a "district council list" to help scouts and other troops, as well. However, scouts must be encouraged to use different counselors for their merit badges, spreading the diversity within their advancements.

Mike Hock-shared a video presentation to be shown at Monday's meeting for Parent Orientation. Any photos you may have are always welcome.

James Via is now a new and fully trained bus driver for our troop. Thanks to Mr Via for this for our troop!
