This will be our “out of state” summer camp, complete with merit badge offerings and skills, designed for those who have attended a week-long away-from-home summer camp before (or bring your parent with you). BUT— in addition to the advancements, we will take part in the living history demonstrations, the 5-part hiking patch, the battlefield tours, and most exciting of all— the battle re-enactments— including the guns, cannons, horses, smoke, smells, sounds, and atmosphere of what it was like to be there 150 years ago!

SO— check your calendars; kiss your sweethearts goodbye--- AND
