

BSA Troop 365

Scouting 365 Days A Year

Troop Committee Meeting October 10, 2017

Minutes

Called to order by Chair at 7:05 pm

Chair Discussion Item - Troop High Adventure Policy and Agreement

The committee generally supported having a policy and agreement. Suggestions were made concerning several items. John will revise the policy based on committee suggestions.

Scoutmaster Report - Jerry Roderick

On-going concerns about retaining scouts in the troop, and a seeming lack of interest in camping were presented and discussed.

Treasurer's Report - Matt Williams

Several budget items have been reduced for the 2017/2018 budget year. This is due to less dues collected from fewer scouts, plus lower fundraising last year. Council dues will increase \$9.00 next year meaning less for the troop general operations.

Matt suggested raising troop dues to \$100 to cover this loss. Suggestions were made to raise dues to \$110 and \$120.

MOTION: Pat Connolly moved to raise dues to \$110. Seconded by Jamie Prosser. PASSED unanimously.

The troop has been paying dues (\$33.00) for all registered adults. By acclamation the committee approved the Chair writing to all active adults suggesting they donate \$33.00 to the troop.

Chartered Organization - Keith Stimpert
