1. Opening
2. Financial Report - The bus had mechanical issues and was not able to be used. Two passenger vans were rented. Bill motioned to spend 3K to get the bus fixed. Motion passed. Bill will do additional research before making a decision. Bill will work with Matt to analyze the bus fund to determine if .50 per mile is enough.
Many categories in the budget reflect a negative balance (spend over income)
3. Gettysburg report - great trip. Combined trip was a success. Boys worked well together. The preplanning could have been a little smoother. Duty rosters should be submitted days in advance.
